2 Exercise of principal transfer powers in the public interest 10

(1) The Secretary of State may exercise a principal transfer power in respect of a steel undertaking only if the Secretary of State considers it necessary to do so in the public interest.

(2) The public interest for the purposes of subsection (1) includes (but is not limited to) the public interest in any of the following— 15

- (a) defence and national security;

3 Sunset for exercise of principal transfer powers

- (1) The Secretary of State may not exercise a principal transfer power after the end of the period of 2 years beginning with the day on which this Act is passed. 5
- (2) Where regulations made under a principal transfer power are in force at the end of the period specified in subsection (1), that subsection does not affect the continued operation of the regulations.
- (3) The Secretary of State may, before the end of the period for the time being specified in subsection (1), by regulations substitute a different period for the period so specified. 10
- (4) The power under subsection (3) may be exercised more than once.
- (5) Regulations under subsection (3) are subject to the affirmative procedure.

Transfer of securities into public ownership 15

 - (a) the Secretary of State,
 - (b) a nominee of the Secretary of State, or
 - (c) a company wholly owned by the Secretary of State.
- (2) Share transfer regulations may make other provision for the purposes of, or in connection with, the transfer of securities issued by a specified steel undertaking (whether the transfer has been or is to be effected by those regulations, by other share transfer regulations or otherwise). 25
- (3) Share transfer regulations may relate to—
 - (a) specified securities, or
 - (b) securities of a specified description.
- (4) Share transfer regulations are subject to the negative procedure. 30
